“ *Something made me laugh in church today Aunt Ree and I thought of you. I started giggling knowing that you would have been giggling right there with me. You and I would just look at each other when something simple happened and laughed our tails off. I know you were there today, because I did get the uncontrollable giggles. I miss you and love you.*

“ *Thoughts and prayers are with the family. So sad to see someone pass at such a young age. She will be missed. I have fond memories of Reddie when I was young. Everyone in the family would visit in the summer and we would have great food and an awesome time playing softball or badminton. I will always remember the great times.*

“ Marie, you were always more than an employee for us during the 10 years we were so lucky to have you. I called you Momma cause you filled the gap of not having one. You would laugh or chastise me, depending on how outrageous. We called you friend because we shared so many things together, your family, jokes, Nascar and country music. We think of you as family because you always included us in yours. Thank you for always sharing. Buck, Mary, Joyce, Joey and Jamie Lynn our love and thoughts are with you in this oh so shocking and terrible days. We are here for you in anything. Love, Rick and Janet <3
