“ I worked with Regina at Toyota of Tampa Bay. She took pride in everything she did. I could always count on her for anything. She was a joy to be around. She loved hearing stories and looking at pictures of of my two grandchildren. When she became ill I would send her pictures of pretty flowers that bloomed in my flower bed just to let her know I was thinking of her. She loved everyone. She held strong through this whole tragedy and went down fighting. It is tragedy to loose her the way we did but it help's to know she is not suffering anymore and not having anymore pain. She didn't deserve that. I love you Regina and will miss you deeply!!!! My heart goes out to her and her family. Cathy Snyder
