“ I was a third cousin of Richard. We had planned to meet but it never happened. Dale Russel was my third cousin and we never met only talked on the internet. I was interested in finding family members and found Dick on a geneology website. He was so helpful to me and knew a lot about the Kennedy/Russel f family history. I just found out today that he passed and wish to offer my codolenses. We had planned to meet up in Maryville but never happened as I liive in Florida.
