“ I will always remember my Dad Praying and reading his Bible every morning his entire life. He always said give God time before coffee or eating breakfast. He was an amazing man that My Wife and I were able to care for him over the last 2 years in our home and learned so much from him in so many ways. It was truly a gift to have been able to spend that time with him. Dad will be greatly missed by us but knowing he is in heaven celebrating with all those that went before him. We Love You & Miss You.

“ Dad was a wonderful Dad. Ever since I was a little girl curling up in my Daddy's lap I knew I could talk to him about anything even as a teen I still could take to him. He was a true Daddy. It did not matter what topic it was he would listen and sometimes he would give me advice & sometime answers to those questions. When he did not have an answer he would go to his Bible or pray about it. I was Daddy little girl. I never wanted to disappoint Dad but I am sure I did some of the time. I knew he loved any way. Robert G. Pote was the best Daddy we could have asked for. He was supper Dad to me when I was little and all around wonderful Dad and friend when I grew up. Dad was loved by all. He truly walked close to our heavenly Father. He was a wonderful example to us kids.

“ *Dad was a GREAT Father and a wonderful Dad / Friend later in life, once I was grown. Those who knew Dad, knew he was a person who loved the Lord, and that is what he wanted to talk to you about most, from those conversations we had together I learned a lot. He will be greatly missed. When we talked on the phone I would say it sure is great to hear your voice, and I know that when I get to Heaven some day It will be nice to hear his voice once more... Dave*
