*It's so hard to know what to say. You meant so much to so many people. You had such a wonderful impact on so many lives. You left behind so many memories and smiles.....and now tears. All I hope is that you truly are at peace now and I know that someday I will feel much safer knowing you are riding the streets of heaven looking for someone to save or rescue. You are one of a kind and so many lives are forever changed because Robert Simpson cannot be their medic or nurse.....or more importantly, friend. We will all be here to take care of Cindy, Scott, Allen, Crystal and Scarlet, so don't you worry. Thank you for so much.....hearts are broken but our memories will clear the sadness and make us smile again.*

*To the Simpson Family: What a shock when we read the Delaware State News today of Robert's passing. He will always be remembered for his caring for others and his passion in the medical field. I first met Robert when he worked for Queen Anne's County and then he made many calls to my parents' home when my father was ill. When daddy would see Robert, he would light up as if Robert was going to heal him. I will never forget the caring he gave to my dad. Robert, you are going to be missed and may you rest in peace. Blessings to the Simpson family at this time. God will give you the strength and love to get through this difficult time. God Bless, Lynda and Gene Palmatary, Centreville.*

I was so excited when the bunch of us got hired together in Chester River's ER! He was a great Nurse and the ultimate professional! He was a team player and made me feel safe!  
He could also make a mean meal, too and he loved to share!  
I am truly saddened, and I miss him! Cindy, I pray you have comfort in knowing how well loved and respected he was by me and many, many others! - Debbie Spence*

“ Cindy and Scott, we'd like to extended our deepest sympathy on the loss of Robert - he truly was a joy to be around and we always looked forward to his visits to our office. We will never forget some of the stories he told us - he was always able to make us laugh even when the day was crazy.

Love,  
Rosie, Linda, and Rosie at Dependable Eye Care, Inc.

Brett wanted me to pass along his sympathy as well, he remembers working under him during his time with Caroline County EMS and he always told me how much he learned from Robert. The world has lost a great mentor.

“ I am so sad and shocked to hear of Robert's passing. What a wonderful friend he was. I had not seen Robert for a long time, but always remembered his humor and friendship.

My heart goes out to Mr. and Mrs. Simpson, Cindy & family. You are in my prayers and in my thoughts. God always takes the best. Robert will always be the best.
