

Robert Lee Tyree

January 25, 1941 - January 27, 2022

Robert Lee Tyree, 81 of Felton, Delaware passed away on January 27, 2022, at Bayhealth Hospital, Sussex Campus. Bob is survived by his loving wife, Shirley of 51 years, their daughter Bobbi and son-in-law Andy, 3 sons (Chuck, Richard, and Bobby) and his pride and joy---granddaughter Abby.

Bob will be remembered for his kind heart, positive outlook on life, and having an infectious smile. He proudly served this great country in the US Army defending our rights for freedom. He had a strong work ethic and provided well for his family even at times having to make sacrifices himself. Bob worked for Ryder Transportation for 33 years as a diesel mechanic and was able to enjoy retirement for 19 years. During retirement, he especially enjoyed Steamboat Landing Campground (SBL) where he loved spending time with his many friends socializing, driving around on his golf cart, and drinking his beer. We will have his celebration of life at SBL in May. Friends and family will be contacted with details of his party. Bob will be greatly missed but not forgotten. If you have special memories of Bob to share, please have them ready for his gathering or you can send them ahead of time via www.fleegleandhelfenbein.com.

“ *Bob was a wonderful neighbor to us at SBL. He always made sure our grass was mowed and there was a cold beer ready for us upon our Friday night arrivals. My deepest condolences to the family. Rest well my friend, I'll see you again in paradise!*

“ *Mrs Shirley and Bobbi Lynn I am sorry for your loss. So many years growing up together. Mr Bob always had that smile. First trip with you guys camping...he tried to help me successfully cast a line to fish. Lol I think I've never had better fried potatoes for breakfast. He was so kind...made some without onions just for me!*
