“ Sue my thoughts and prayers are with you right now. Robbie was a beautiful man with a beautiful heart. I got to know Robbie through Joyce and Jeannie and instantly formed a bond. I didn't get to see Robbie very often but at the moment we would get together all we would do is laugh....We would laugh till we had tears in our eyes. My tears aren't from laughing today, they are for your son who touched so many peoples lives. We talked on the phone about 3 weeks ago, we could talk about absolutely anything and his voice would just make me smile. I won't get to see his smile or hear his voice but my memories of him will be with me always....##imported-begin##Heather Wooleyhand##imported-end##
