“ Sue, Aunt Elizabeth and family. I was so saddened to learn of your loss. He was the same age as Lois, my sister. You are in my thoughts and prayers for God's love and comfort to surround you. I lost a son and husband, so I have some understanding of the loss you feel. Please know that my love and prayers are with you. May His Love and Peace bring you comfort as only He can give and do.

“ Sue and Robbie,
My deepest sympathy to your family on the loss of Ozzie.
I remember the days when Mom and Dad would play cards with you
and say how much they enjoyed it. Ozzie was a special cousin who
never changed.
I also think back to the days when I would stay over when we were
kids and of course sometimes even get into some trouble.
A memory I will never forget .M
y brother told him to pull the stinger out of a bee and wow did his
eyes swell! I still have a picture of it.
I will be here if you need a shoulder.

“ I knew Ozzie through working at Playtex. He was one of the
machinics that worked on my machine. Ozzie was a lot of fun to
work with and I really enjoyed talking and knowing him. I have done
several paintings for him on articles that he has bought at antique
sales. I will truly miss him. It was so sudden, saw him on Saturday,
Nov 8, dropped off a few items to be painted and read about him in
the paper. What a shame, will be greatly missed.###imported-
