“ I worked with Roy in the 70s at Legislature Services Building. He was a kind and considerate person, always treating everybody on a personal level. Their printing workshop was exceptional because of Roy's understanding of deadlines to meet. Rest well, my friend ... and to the family - my deepest heartfelt condolences. It was a pleasure to have known Roy ... every time i think of him, I can't help smiling ...

“ *Roy will be missed by all, I don't think there is any question that he will have all the Angels in Heaven laughing at his spur of the moments jokes and comments. But, the good thing is that Roy has left a multitude of memories behind that we shall all remember and cherish and take with us into the future. The next time we hear thunder, we will all know that Roy has all the other Angels laughing. RIP Roy - you will be missed! Cousin Johnny and Betty*

“ *Roy and Trudy have been among my most faithful friends since I became Pastor of St. Benedict's in Ridgely in 1982. Among many other experiences, Roy and I experienced 9/11 together as I visited them overnight at their house by the river. (Trudy had already gone to work.)*
