“ My prayers go out to the family. I was the maintenance man for the Bradford House between 2010 n beginning of 2014. Randolph was a pleasure to have as a tenant there. He was one of the tenants that made my job enjoyable. We would always cut up about taking off in my Mustang with the top down. Or jump on the motorcycle and head to the beach to check out the scenery. If he seen me stressed out he would stop me and crack somekind of comment that would get us both laughing. I only knew him for a short while but feel like we were friends for a long time. I'm very sorry for your loss for he was someone I could call a true friend.
