“ Russell was preceded in death by his mother, Brenda, stepfather, Henry Killinger.

He spent some of his childhood in Detroit, Michigan. Most of his childhood was spent growing up in Chester County, PA, attending Oxford Elementary School and Ocotora Area Schools, before moving to Lancaster, PA where he graduated from McCaskey High School, Lancaster, PA in 1986. After High School, at the age of 17, Russell joined the Army, where he worked in Satellite Communications, while stationed in Germany, from 1986 to 1988. Russell was a movie buff always sharing his movie DVD collection with family. He especially enjoyed going to movie theater with his father watching a recent theatrical release on the big screen. He also looked forward to meeting his father for lunch several times a month. He enjoyed going out to eat at his favorite place to dine, Kings Buffet, in Dover, where he felt like part of the family. He grew up with a brother, Ron, the two were born one year and two weeks apart, often the two were mistaken as twins.

He loved all his family but he had a special friendship and bond with his sister, Becky

Polite, kind, gracious words that begin to describe Russell. Never saying a bad word about anyone. He was quick to forgive and slow to anger. Not many people can say they ever saw him angry. He was a happy go lucky kind of guy.

A lover of high tech gadgets. He was a compassionate man with a big heart of pure gold; always, willing to help others. He will be remembered for his quirky, loving and giving nature.

“ *My heart is broken to say the least. I will miss him dearly. Although we were miles apart, every time we talked my big brother was always listening and always there for me. Have a good heart.*

“ *Russell, you will be missed. Your unique sense of humor and no bullcrap attitude made working in that call center bearable. Your knowledge and the fact you shared that knowledge with people who wanted to know, enabled me to grow into the techy lady I've become. Rest in Peace, my friend.*

“ My condolences to Russell's family and friends. He was definitely a fun person to be around with and we shared quite a few laughs, especially in his early days at Comcast. I haven't had the chance to see him much in a few years but we started together around the same time and work together for a while, just an all-around good dude who will be missed.

“ Your wild off the wall TV and movie watching suggestions will be forever missed. You could be quite the goof sometimes but I didn't realize until now how much it would help the time go by. Miss you buddy!

“ *There are a great many things that can be said of Russell. He was one of the nicest, most generous people I have ever had the privilege of knowing, and working with. He will be sorely missed. Thank you Russell for the laughter, the memories, and the pointers. Rest easy Russell.*

“ *I've know about Russell's passing for a few days now and it still hard to believe. It's hard to believe I'll never hear a funny story at my desk or find him at my car with a joke. Russell never said anything bad about anyone and no one had anything bad to say about him. How many people can you say that about. After 16 years of working with Russell, life will be a little more dull without him around.*

“ Russell will be so missed. He had the most unique personality, was funny, and could tell a good story. I will severely miss his sense of humor and big heart. He was such a good guy and made work enjoyable. Russell was very generous, giving, smart and the world sadly lost a good one with his passing. JL
