“ To Bonnie, I've been with you for most of our lives, I know that this is devastating for you. It broke my heart when I heard about Tommy. I prayers are with you Bonnie and your family. I know that it was a shock for your family as it was a shock for me. I had just seen Tommy Friday at the grocery store and as usual we had a few laughs and a little chat up. I always loved seeing him in Walmart or wherever I saw him. Cuz we always stopped and had a few laughs and I would ask how you are Bonnie and we would discuss that. I know how you loved my sister Sara . I am sure Sarah was part of the welcoming committee and heaven to welcome Tommy in. And they were welcome you when it's your time to and you will be all back together again. . I love you funny Bonnie and Tommy. You guys have always been a great pleasure to see and have a chat with. I am so sorry that you have lost your partner in life and that your kids have lost their father/grandfather. Prayers for your family.
