“ Jesse, Mark, and Tina,

I am so sorry for your loss. Sandy truly loved her family and was so proud of all of you. There are no words of comfort to ease the pain you are going through right now, but there will come a time when talking about her will illicit more smiles than tears. Mark, you know we are here for you in any way you need us. You are our family, you got us whether you want us or not and with that we include Jesse, Tina, and Logan. It is amazing how our blended family has come together and I was honored to know Sandy. We will keep you in our thoughts and prayers. Love to you all!
