“ Kay ,
Rest In Peace my friend. You earned your rest. I am going to miss our chats and your colorful fingernails, your snowman who was always dressed for the season, your love for your family and your tremendous courage .
Dr. Dave, it's up to you to keep her wishing well blooming and her babies Hazel and Cissy happy.
Thank you to her family for being a loving support to Kay on her great adventure that we call life.
I will toast you with my beautiful designer coffee tumbler- thanks for memories and being a friend.
