“ *Mr. Strauss-*

*I was so sorry to read in the paper that Shirley had passed away. My thoughts are with you at this difficult time. She was a great lady and I really enjoyed getting to know both of you during the time that we worked together. I always enjoyed listening to Shirley's stories - she always seem to have one. I know now that she is happy again, because she is finally with Denise again. Let that give you some solace. She has been grieving for so long for her daughter and now they will be together again. Just wanted to let you know that I am thinking of you!###imported-begin###Linda Moore###imported-end##*
