“ Skyler my beautiful granddaughter I loved you the moment your
mommy told me she was pregnant..the minute i saw you,you melted
my heart, you was so perfect but so tiny,there wont be a day that
goes by that i wont think of you,i had so many plans for you and me
but those dreams will come true the day i come to be with you..I will
dress you in pretty dresses and sandels,put your hair up in pigtails
and take our walk on the beach together,i long to hear you giggle
and kiss your cheek and take care of you like i was hoping to do..so
you just wait for mommom to get there and we will have our magical
day rest in peace my precious baby girl I Love You
