“ God bless you baby girl. I still can not understand why you wher taken from us so soon. But I suppose it is not for me to understand. The Lord had a much greater plan for you. I know you will fill his house with love laughs and tears as you have ours. love you baby We will meet again one day and then I will share the rest of the things I never got to say. You fought a long painful fight yet you did it with such a good spirit. But baby the battle was the lords not yours it was him fighting to take you home while we wanted you here so sorry baby love you see you again soon one day :(##imported-begin##Kathie Jo Farrell Smith##imported-end##

“ Stacy, I have not seen you for a very long time, but you will definitely be missed. You meant a lot to my sister back in the good ol' days. I remember doing cheerleading for the Greensboro Hornets at the Denton Armory and, for some reason, I'm thinking softball for Greensboro, too! Please know you and your family are in my thoughts. I'm glad you are no longer in pain and are in a much better place. I do not know if I will be able to make it tonight, so please accept my condolences...
