“ *Dad (Stan), you could always make me giggle. Your orneriness definitely rubbed off onto the rest of your family. Your loving and kind spirit is unparalleled. I adore you and will miss you dearly.*

Mom (Martha) you have always been there for everyone and now it's time for us to be here for you. I love you.

To the rest of my family, my son, daughter and grandchildren, I love you more than life itself and I pray for calm and strength for each and every one of you during this difficult time. Never miss another opportunity to tell your loved ones that you love them. Tomorrow is not promised. Love, Michele
