“ *There are so many memories I have of Steve. I'm so sorry to just today find of his passing. I hope he had finally found happiness.*

*Steve and I competed on the racetrack, but we were never friends. I always found him to be a worthy opponent and respected his skills as a horseman and a blacksmith, especially with trotters. I remember the night in 1978 he set a world record for aged trotting geldings on a 5/8th mile track with Dudate Windswept of 1:58- at the old Laurel Raceway. Rest In Peace Stephen.*

*My Grandparents raised him and I knew him all my life. We unfortunately went in separate ways. He had many admirable qualities and talents. Shoeing, driving, training, was his life. My grandfather, Muriel (Merle) Knill taught him to drive and to shoe. Like us all he had flaws. I will forever miss what he once was.*

*He was my first cousin. I am from Texas. His middle name was my grandpa's name. I have tried many years to find him. If any family member sees this memory, please please contact me. I could fill in many blanks in his early life. I am so sorry to find the obituary as the only connection. Linda Hutto King*
