“ *I'll always have wonderful memories of my dear sweet sister Susan. She was always helping, ready to lend a hand. She never judged or disliked anyone, it wasn't in her nature. She loved going to the Center, to church, and to WaWa for coffee. She loved taking walks around the farm, swinging on a swing, and helping Mom in the kitchen. She loved to hold hands, give you a kiss in her own special way. She loved Easter egg hunts, Thanksgiving dinners, and Christmas. Susan touched all of our lives and made us more compassionate of others. I will miss her dearly. Our sweet sister was called to Heaven, where she will no longer feel pain, will be able to see perfectly, to walk, and to eat and drink. She is surrounded with love by God, NanNee, Pop, our Mother and all our relatives and friends who proceeded her in death. She will live in my heart forever.*
