“ It's been almost 30 years since I last saw Tammy. I moved to Florida and we reconnected on Facebook. She was one of my best friends in Henderson. Always a big smile and happy go lucky in life. I am so saddened by her passing. But I will always be grateful for our friendship. Rest In Peace my sweet friend.

“ I have so many memories with Tammy I dont know where to begin she was my best friend my go to. We have so many fond memories of fishing at chestertown bridge or just hanging out when we lived in the trailer park. She was there to help me to take care of my Mom I dont know what I would of done without her. We would always call each other just to vent or talk. We had a bond no one could break no matter what she was there for me and I was there for her. I will miss her dearly but I know she is out of pain and in a better place.
