“ I had the privilege to care for , Mrs . Bower at complete care at silver lake. She was my favorite, favorite, favorite, resident. Every day I came in, I had to make sure I went in and spent time With her all throughout the shifts I was working . We laughed, joked around, and always embraced each other with a hug and she would give me a kiss. She was just one of those people you always wanted to be around. She was sharp, energetic, and very vocal about about things and what she wanted, lol

Mrs. Bower was the best resident ever, she is truly missed. I will keep hold of all the loving memories of her... our favorite saying was “ yea, suuurreee” lol

We love you , Ms. Theresa and we miss you dearly 🥹

There will NEVER be another like you

My sympathy and condolences to the entire family.

Lovingly submitted,
