“ Feehely Family,

I'm sorry to read about the loss of you loved one Thomas. Death is like a thief that takes away our loved ones. Or, due to old age and sickness, we loose that precious quality of life that leads to death. The Bible always offer comfort for us in times like this. Please when you get a few minutes, read in your Bible Psalm 37:11,29 and Rev.21:3,4. I am sure you will find comfort from these verses.##imported-begin##Mrs R Younger##imported-end##

“ *Every man dies, not all men truly live. "Uncle Buck" lived his life to the fullest. He will be remembered in my heart for his giving nature, quiet spirit and peaceful soul. His quiet countenance often belied his thoughtfulness and will be missed as a friend and confidant.##imported-begin##Randolph##imported-end##*

“ *Dear Uncle,
These past few months have been a nightmare. I keep hoping to wakeup and see your face, hear your teases and sweet laugh. I know we have had our differences in the past, but no matter how different, I would not have traded our time together for the world.Thank you for all the support, kind words and guidance throughout my life. NO one could ever replace you, Uncle. You have been more than an uncle, you have been my big brother. I don't think I will ever look at another Elvis photo, antique or jeep again without the thought of you. You will be greatly missed. I love you (and always will) !
