“ *My Uncle Albert was an integral part of my life. He was an Uncle that lived right next door my whole childhood, and if my parents didn't see me, they knew where I was! Every Friday night, he was outside with his country music on the radio and the grill smokin!!! He never failed to fix me my BBQ ribs!! I believe he enjoyed watching me eat!!! Then at night we would watch home movies and eat snacks he prepared. At the end of the night everyone would say "where did Tom go" and we would look and he went to bed (he didn't play around)!!! I have so many stories I could share (they are all in my heart)!!*

*It saddened me over the last few yrs to see him age and to endure all the problems that go along with that, but I can truly say that even though I won't see him in this earth realm anymore, I am contented to know that he is with our Father God right now with a glorified body!!!! He has been joined with Mom Mom and Pop Pop, my Dad, and many others that have gone on and wouldn't come back if he could! So on that note, I say goodbye for now, I love you, and will see you again one day. IN MY HEART ALWAYS AND FOREVER!!!!*

*Your niece,  
Penny....or as you called me "Ree"*

“ Tom was my brother-in-law, but like the brother I never had. Over the past 57+ years and living as neighbors at Sandtown, he have experienced many trials and tribulations together. He was a very "colorful" person, never afraid to express his opinions even if you didn't ask. I am going to miss him and our phone conversations so much. Rest in Peace Tom. Now you can walk those streets of gold, no sickness no sorrow. Until we meet again..... Love you,  
Jeanne
