“ *I was so saddened to hear about Trevor's passing. I remember the day he came home from the hospital. We all wanted to hold him. He is now in the hands of God and will be missed dearly. My heart breaks for all those that loved Trevor and still do. Even though many years have passed I've thought of him often. Rick and Janice may you both find comfort and peace at this time in your life. God bless.*

I was just telling a friend a story about Trevor the other day. Made me think about all the great times we had as kids. Especially at the house up on the hill. Playing in the woods, shooting guns with Papa, Uncle Rick and my Dad. Riding your dirt bike. Then word came of your passing. Reminds me how fragile life is. I lost touch with you after you left CT but no matter what twists and turns life takes I will always remember you with the fondest of memories and all the great times we had. You were always my favorite cousin. I hope your at peace now.. until we meet again.. Thoughts and prayers with Uncle Rick and Aunt Janice.
