

Mr. Vaughn A. Hutson

December 11, 1950 - May 14, 2020

Vaughn “Sonny” Hutson, Jr., age 69 left this world on May 14, 2020. Sonny is survived by his loving wife of 46 years, Connie Hutson, his daughter Heidi Fellon; his mother Estelle Hutson; and his sisters; Beverley Ireland; Lisbeth Collins; and Hope Hutson and his grandchildren Katie and Kyle. Sonny was preceded in death by his father Vaughn Sr. and his sister Florence Hutson. A visitation will be held Tuesday May 19, 2020 from 1 to 2pm with services to follow at 2pm at Fleegle & Helfenbein Funeral Home-106 W Sunset Ave. Greensboro, MD 21639. The family requests casual attire.

Other than “Sonny” this noble man will be remembered by the nicknames he so deservedly earned. Dear, Dad, Pop-Pop, Papabear, Uncle Sonny, gentle giant, and affectionately “half-assed electrician”. He will be idolized for his warm bear hugs and his willingness to help anyone in need. Particularly his handy work and woodworking donations, can be admired across counties as he has donated his skill to so many charities and families.

Sonny was a man of few words and a jack of all trades. An amazing husband, father, grandfather, and friend. He held true in his ability to love, provide, and protect his loves, and his character shall not be lost in vain. He was a man that was as good as his word. His marriage saving phrase of “yes dear” will never be forgotten and nor should his love for family.

Please remember our Sonny by reaching out to someone and helping them, just as he would have. For providing such loving and compassionate care during his stay the family requests that expressions of sympathy take the form

of contributions to the following: Compass Regional Hospice at 160 Coursevall Drive, Centreville, Maryland 21617.

R.I.P. Sonny:(I worked w/Sonny and his daughter @ Integrace. It was a sad day when they left. Sonny was a wonderful person. He has been extremely missed not only by myself, but others he worked w/here. He was here maybe a year or so ago to visit someone. It was so good to see him. Heidi, you, your mom, and children are in my thoughts. I can still hear the "yes dear" over the walkie talkie. Connie, we did meet once, it was always very obvious how much he loved you, Heidi, and his grandchildren. You were all Blessed to have such a wonderful person in your life.

“ *Connie and Heidi , Paul and I are so sorry and sending you thoughts of sympathy and love . Long ago when I met Sonny at Holiday Park he lit up the campsite with laughter and that smile . He was a good man and he had a great family ! Heaven saw him struggle and love kept him here until he beat the restrictions and all his friends and family can come together and remember the antics of Sonny! We love you all and will be thinking of you in the coming days! Another bright star in the sky! It will always be the brightest to you. 💕💕*

“ *Connie and Heidi, I know you know how fond I am of Sonny. We became instant friends back in 1988 when we both started working at WHM. He was so much like my dad, Sonny could do anything and fix anything! Whenever he talked about you and Heidi, his whole face just lit up. He had the best "happy" face and smiling eyes. He was so proud of Heidi and I knew I would love you two before I even met you. I can still hear him saying "yes dear" He was called to fix or move something at work on many occasions and he graciously did it with saying it to us too! You all have always been dear friends to me and I hope you did get to share that last memory with him that I sent you on Saturday, the day before Mother's Day. During these difficult social distancing times, I wanted him to know that he was thought of and cared about every day, even if we couldn't see him. May all of your wonderful memories and things he made that I'm sure are everywhere you look, bring you peace and comfort. Love and Hugs to you both. ~ Traci*
