“ *Steve, Sue, Mrs Pat. and Family, I cannot express enough how much Mr. Vic will be missed by anyone who knew him. He was a kind and pleasant man who had such a gentle way about him that I will always remember his most profound manner and how he left an impression of delightfulness with me every time we would encounter. I will miss his kind greeting and I am praying for your family. Please remember that Jesus will give you strength when you ask. If I can ever do anything for you please do not hesitate to call upon me.*

“ Dear Pat: It was with great sadness that we learned of Vic's passing. He was a real fighter and was always cheerful during his bout with cancer. We have many fond memories of our times with the yacht club and Vic will be greatly missed. You are in our thoughts during this difficult time for you and your family.

With love, Lou and Sharon##imported-begin##Lou and Sharon Navin##imported-end##

“ Dear Pat,

Ricki and I were saddened to learn of Vic's recent death. Even though he had been dealing with serious health challenges over the past few years, his death had to have been a terrible experience for you and your family. Vic was a stellar member of the Fort Myers boating community, and we will miss his company and experience.

Please accept our most sincere condolences and our fondest personal regards,

Charlie and Ricki Ryan##imported-begin##Charlie and Ricki Ryan##imported-end##
