“ Oh Viola You were too young too leave us. You took my husband and we became close friends .We shared so much with our kids when they were young. Then we lost track of each other but whenever we spoke it was just like old times. God has another great Angel and you can watch over your loved ones forever. Jay and I will try to be there..Raymond,Megan, and Kevin my heart goes out to you I miss my parents all the time. You can always call me.Love Barb
