“ Dear Family,
I would like to send my condolences. It can be extremely difficult to lose a loved one. That is why I wanted to share the hope found in the bible, the hope of the resurrection. Jesus stated at John 5:28,29 "The hour is coming in which all those in the memorial tombs will come out." And at Revelation 21:3,4 it states that there will be a time when "...death will be no more." These scriptures give us hope for the future as respects to our dead loved ones. Those scriptures have brought comfort to me and I hope it does the same for your family.
With Love,
Loren

“ I will always remember Violet for her kind and thoughtful ways. From the first time I met her, she has always sent me a card during the Christmas holidays, & I kept them all.

I remember one Thanksgiving that I sat at the same table by her at her nephew's place.

We had the most wonderful conversations, she made the holiday very pleasant.

I am glad that I knew her in this life. God be with all her family during this time.

“ I have many good memories of my Aunt Violet. My Dad was her only brother & she visited with them. It makes me laugh when I recall how stubborn her and my Dad were at making their points about things. I have photographs & videos to remember her. I will miss her very much.

Love, nephew Brian Casper
