“ There isn't enough words for me to say how Ginger was a wonderful caring person. I always have loved her since I first met her. I would visit often in my younger years to see her and Albert.

What a beautiful woman inside and out. I always wished I could be as beautiful as she was. It was nice to see her the few times I did when she lived with Dawn. So glad we reconnected again. May Ginger rest in peace and become the Angel in Heaven as she was here on earth
My condolences to all of you. Sending love to all.
