Vicki, Tammy and family,

I am so sorry to hear of your mom's passing. I wish I were able to pay my respects in person but will not be in the area this weekend. Mom told me she was able to stop in to see her the other day and was going to come in again but heard she was gone. I will keep you all in my thoughts and prayers. May God keep you in his loving embrace and carry you through this difficult time. As time goes by may you shed less tears as you think of Mrs. Ginger and have more smiles with the memories you've made over the years. I wish there were other words I could say that would comfort you, but I know there are none. Please know I will be thinking of you all.

Take care

Ginger will be missed by many and boy how she loved to make sure those lima beans were clean and in order before anyone purchased them. She enjoyed life and will be missed by many. The memories will remain with those whose lives were touched by her. Gene and Lynda Palmatary
