“ I remember when Virginia would sing "one, two, three like a bird I sing!" She always made me laugh. When Virginia and Preston would have math games, Jake worked with them and I would cheer Virginia on, to beat him. I enjoyed working with her. RIP Little Angel and I will always remember our times together. Michelle, your family is in my prayers.

“ *When God calls children
to dwell with him above,
We mortals sometime question
the wisdom of his love
For no heartache compares with
the death of one child
Who does so much to make our world,
seem wonderful and mild
Perhaps God tires of calling
the aged to his fold,
So He picks a rosebud,
before she can grow old.
God knows how much we need them,
and so he takes but a few
To make the land of Heaven
more beautiful to view.
Believing this is difficult still
somehow we must try,
The saddest word mankind knows will always be "Goodbye."
So when a child departs
we who are left behind
Must realize God loves children,
Angels are hard to find.*
