“ *Dear Mrs. (Chambers) Wood & Peachey:
Sorry to read about Vivian Lee, it didn't mention if she had been sick, but if so hope she didn't suffer. I received a card when my daughter passed away that said something to the affect that our loved ones are not gone but just away as long as they are in our thoughts and hearts. I have always felt this was true. Would love to hear from you. I am still living in Smyrna so give me a call or send me an email and maybe we can get together sometime soon.##imported-begin##Carol Pryor Towles##imported-end##*
