“ *When you punched me in the face and told me that your sister was there and would take care of me. I asked, then, who am I. He said Florence Seth's daughter. I will hold our last memories. You told me that you knew I was his there for him. He was sorry for hitting me. MOST of all, when you asked me to take care of your children and their families and that he LOVED me. Praise God. A Sister's Love. Steve, as always, WELL DONE- THANK YOU. THANK YOU TO EVERYONE WHO HAS BEEN IN MY LIFE. May God reward you, as only he can.*
