“ *My name Dale T Prescott i'm sorry to hear about Walter's passing. He worked for me on the Edward's he was a great man, he'd come over to my house and play with my three boys. He was like and extra kid in the house. Walt was a brother to me, he stayed at my house so that he had a family there in Cal and was part it. I've been looking for him for ever. I left the Edwards to go run gun boats in Vietnam in 1967. I ask walt if he wanted to go he told where to stick it. he he. Anyway I love that man and I have missed him. He was a great friend.*

“ *Linda, Mary and Tony,*

My sincerest sympathy to all of you for the loss of your Dad/Grandfather. May your memories give each of you comfort and peace in the days ahead. He was a very special person with a smile that could light up a room and a great sense of humor. Fridays at noon will never be the same because he won't be here to kick off the weekend for us.

I will miss you, Walter.....

*Love,
Chris Murphy*
