“ *I remember William Brittingham when I used to work at Easton Disc Pad back in the 1970's-1980's when I had my Ford Granada. He was a good boss and I met Janet briefly as she came through. I worked at cleaning the alternators and starters and housings for vehicles. I remember Betty Brittingham also working along side us doing starters, housings, and alternators. I also remember Lee Hack as Owner of the business. They were both good men. I send my condolences to your family and extended. Harold F Chance, Jr. (Hal Chance)*

“ This time of the year I think about your Dad running the Ferris wheel or working in the bingo booth. There isn't enough room here for all of the memories from when we were kids. I think he called me "tippy toes" until I was like 21 years old.

“ What am I going to do now? I am going to be so lost without you. The girls will miss their "Grouchy". Kreg won't be able to tease you anymore. It just is not going to be the same. Until we meet again, RIP my dearest friend.
