“ *Whether it be a chicken and dumpling dinner or just to sit and talk over a cup of coffee, I have so many fond memories. I can see Uncle Mac now laughing at my mom and pop (Aunt Edie and Uncle Ed) as they bickered back and forth over stuff being planted in the garden in the wrong light of the moon :o). Those were the days. Those memories are so precious to me; they were then, and they are even more so now. I will always be grateful for that time in my life.*
