

## William Robert Ganley Jr.

September 7, 1958 - May 4, 2025

William Robert Ganley Jr. "Bill" 66 of Greensboro passed away on May 4, 2025, at The University of Maryland Medical Center at Easton.

William was born on September 7, 1958, to William Robert Ganley and Joyce Loretta Ganley in Prince George's County, Maryland. He graduated from Fort George Meade High School with the Class of 78'. William spent several years working for Burcon and Giant Foods, and he was also a part-owner of Ed's Tree Service. Later in life, he returned to school, attending Chesapeake College and Polytech to study Electrical and HVAC Services, pursuing his passion for hands-on trades. He took great pride in his work and had a natural talent for repairs and mechanical tasks. After Trade School, he worked for Your Comfort Company in Greensboro for many years, then retired from The Calverton School in Huntington, Md, where he was Head of Maintenance and Transportation. Outside of work, William enjoyed playing pool and spending time on projects with his son, that allowed him to work with his hands.

William is survived by his son, William Robert Ganley III (Kimberly) of Denton, MD; his daughter, Casey Noel of Texas; and his granddaughter, Ashley Ganley of Denton, MD. He is also survived by three sisters: Kathy Dumheart (Jimmy) of Southern Maryland, Lynn Wood of Laurel, MD, and Elizabeth Metz of Spencer, WV; as well as two brothers: Henry Ganley of Frederick, MD, and Jimmy Ganley (Shelly) of Spencer, WV.

A memorial will be held on Friday, May 16, 2025, from 2:00 to 4:00 p.m. at Fleegle and Helfenbein Funeral Home, P.A.

“ So many memories of my oldest brother. Snow sledding at the elementary school hill near our house, riding our horse, playing in our backyard.

Also, I wanted to go see the Bee Gee's in concert. I was about 13 and did not have the money to pay for a ticket. I ran home and he was outside working on his car. I told him I wanted to go. He said happy birthday early and gave me the money!

As we got older we went to the beach with our spouses and did things with our children.

I wish there was more time for some more good memories!

Love, your sister Lynn

I worked with Bill for many years at The Calverton School. We used to talk horses on occasion and he would reminisce fondly about riding horseback and how much fun it was. It sounded like he enjoyed his family and his growing up years.

We called Bill our "grumpy old man" but he would laugh after he complained and you knew he was kidding. You could count on him to help out with everyone's many needs however big or small. He repaired everything, moved furniture from here to there-and back again, shoveled snow, coordinated contractors, approved invoices, maintained the residential houses, and did whatever was needed to help keep things running here. He was a big part of our community for many years.

Bill, may you rest in peace...

Janice
