“ I can remember Lil Billy mostly from when I worked at the elementary school and the days of David & Paul being in Little League..He was always had a smile to share with everyone..His Heart shone thru to all..Thru the years when I would run into Lil Billy, he would still have that heart and smile for me..Always...He will truly be missed and my thoughts prayers and hugs go out to you all..I can't begin to imagine the pain you all have endured but I hope knowing that Lil Billy was welcomed into Heavens Gate by his brothers and that they are all able to run and play together at last gives you a peace that comforts you..May God wrap you in His love and comfort today and the days to follow..Our Love to All...Mary and Paul Whitlock oxoxox###imported-begin##Mary (Whitlock) Howden###imported-end##
