“ *I extend my deepest sympathy to Bev, Jerome, Poochie and rest of the family. Janel and Devin will miss their grandfather but I will make sure that they are comforted during this difficult time with love, open arms and prayer. Remember that you can find the strength that you need through God. Keep Billy's memories with you to sustain you during your darkest hour.##imported-begin##Donya Graham##imported-end##*

“ *I was very sorry to just hear of Mr. King's passing. I did not personally know Mr. King but had met his wife and sister at the University of Md. during the many trips they made to see him while my family who also lives in Ridgely stayed with my dad who was also a patient in the unit. I am sorry for your loss.##imported-begin##Barb Bacon##imported-end##*
