“ My big brother you were loved by so many and will be deeply missed. I'm thankful we had the chance to talk Friday..I love you so very much! I already miss our talks it was always comforting and sometimes comical depending on what we were talking about at the time. I know you are in a far better place now but it doesn't stop the hurt that we all feel especially William, Britt and Sammy..may you rest in peace. You may be gone but will never be forgotten. Until we meet again..

*Bunky, it's your sister Jenny! I've been so blessed to have you as my brother! You called me 2 times on Friday, the last call you said you were fine that for me not to worry about you, I promise sis I'll be ok, I'll call you tomorrow, I was looking forward to hear from you, but didn't get to, Pooh called me to tell me you had passed away. I keep on looking and hoping that my phone would ring and it would be you. And that's never going to be again. But I do have a message on here from you, where you said you had called me in the last 3 days and I didn't answer, you said I love you and to give you a call, So I called you! We talked a few minutes and everything was ok, he knew I was alright. I'll always remember the good times we had , And I will always love you and miss with all my heart and soul ❤️*
