“ Yvonne was such a good person and a great friend. She would always come over and watch the soaps with me and when she missed them I would have them recorded so she could catch up. She said she couldn't bake so any time I did I would send her home with some goodies. We would sit and talk for hrs. She was always helping others. Her family was her life. I will miss her so much. To her family I am so sorry for your loss. RIP my dear friend.

“ I am so sorry for your loss!! Yvonne had a heart of gold and would help anyone she could. She was a lot of fun and always had something to say that would make me laugh. She was an amazing cook and could turn anything into a delicious meal. She taught me so much and was always there when I needed someone to talk to. Fly with the angels my friend and may your soul rest in heaven. You will be missed!! 😭
